SUSTAINABILITY POLICY

Vanquish Insulations UK Ltd is committed to minimising the impact of its activities on the environment.

The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Minimise toxic & global warming emissions through the use of PV solar generation to power both office and vehicles.
- Actively promote recycling both internally and amongst its customers and suppliers.
- Source and promote a product range to minimise the environmental impact of both production and distribution.
- Meet or exceed all the environmental legislation that relates to the Company.
- Encourage the adoption of similar principles by its suppliers.
